Fall 2019 AICP Exam Prep Course

Friday 9:30am-2:00pm

March 15
April 5

Exam prep location:
Central Midlands COG
236 Stoneridge Drive
Columbia, SC 29210

Are you planning to take the AICP exam?

This two day workshop will concentrate on the structure and make-up of the exam. The instructors will provide sample questions and study materials. The goal of the workshop is to provide a thorough overview of the exam and to help candidates become aware of the format and organizing principal of test questions while providing strong, focused direction for individual prepartation and group study.

AICP EXAM- Subject Matter

25% Fundamental Planning Knowledge
