

Fall 2020 AICP Exam Prep Course

Friday 9:00am-1:30pm
September 25
October 2

Exam prep location:
Virtual

Are you planning to take the AICP exam?

This two day workshop will concentrate on the structure and make-up of the exam. The instructors will provide sample questions and study materials. The goal of the workshop is to provide a thorough overview of the exam and to help candidates become aware of the format and organizing principal of test questions while providing strong, focused direction for individual preparation and group study.

AICP EXAM- Subject Matter

- 25% Fundamental Planning Knowledge
- 30% Plan Making and Implementation
- 30% Areas of Practice
 - 5% Leadership, Administration & Management
- 10% AICP Code of Ethics and Professional Conduct

Course Notes

This course is offered virtually for the first time. Instruction is led by a Professor from the Clemson Planning Department and Planning Professionals. Study materials will be mailed to you on a flash drive prior to the first course. Since the course is virtual, some content may be prerecorded so that you can view on your own and to break up the screen time a bit. There will also be 15 minute breaks built in throughout each session. This will be a new experience for all involved and we hope that you will join us and actively participate in the course with questions and discussion to help each other prepare for the exam.

Registration:

Please register through the SCAPA website.
